## Simplify Your Payroll With A Unique Pay Card Solution!

For *IOI* clients

*IOI* clients are able to take advantage of a new Pay Card as a unique pay option. Offer your employees this valuable payment tool at NO cost to you along with NO monthly or activation fees for your employees. Their pay is deposited directly onto this debit card. These services are offered by an independent third party provider.

There's no need for the cardholder to be approved; all employees are eligible! Practical for those employees who do not have a checking account, the Pay Card eliminates waiting in long lines to cash checks and paying high check cashing fees. Employees have access to ATM locations nationwide. Employees can pay bills, buy groceries and gas, shop online—anywhere MasterCard® is accepted!

A leader in payroll processing, tax filing and human resource administration solutions, *IOI* can help your company maximize efficiency, while reducing bottom line costs. The *IOI* team strives to provide the highest quality of customer service with our state-of-the-art technology and cutting-edge, scalable solutions to fit your business needs.
